8-3-2016 - EPA Bill for Collection No. 2721626S0045 [Newark Bay].pdf

Hello Ms. Wagner,

Thank you for your return call concerning the attached bill. I just wanted to let you know that after I left the voicemail for you, I spoke with our accounting group and they were able to push the processing of this wire transfer so that EPA will timely receive the transfer on 9/9/2016 (instead of Monday, 9/12/2016). In accordance with the instructions in the bill I will forward to you confirmation of the payment along with the other requested information.

Also, Frank Parigi asked that request from you the invoice from the Corps of Engineers in the amount of \$784,080.65 cited in this bill. It forms a large portion of the invoice so he would like to have that in our records.

Below is my contact information if you have any questions, or if you need additional information from us.

Thank you.
